Throw Out the Life Line.

GIVE THEM HELP AND MANY POTOSI PEOPLE WILL BE HAPPIER.

"Throw out the life line"—The kidneys need help. They're overworked—can't get the poison filtered out of the blood. They're getting worse every minute. Doan's Kidney Pills have brought thousands of kidney sufferers back from the verge of despair. Potosi testimony proves their worth. W. B. Compton, of Potosi, Mo., says: "For some time I had pains in the small of my back just over my kidneys and while the trouble was not severe, it was nevertheless very annoying. I knew my kidneys were disordered, as the secretions were unnatural and scanty. A friend finally advised me to try Doan's Kidney Pills and I procured a box at the City Drug Store. A few doses were all that was required to remove my trouble and I now feel better in every way. For sale by all dealers. Price 50 cents. Foster-McMurray Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other."

PROGRESSIVES MEET.

A small bunch of Progressives met in the court house here last Saturday to decide whether the party should put out a county ticket this fall. Mr. S. G. Nipper, the Republican nominee for congress, was present at the meeting and made a speech urging the Progressives not to put out a ticket, as it could not possibly be elected, and to do so would be playing into the hands of the Democrats.

Scott Hopkins, one of the leaders of the Progressive movement here, replied, stating that they were now a distinct political organization and proposed to maintain it as such, and that he was in favor of a party ticket of their own. On submitting the matter to a vote only five members participated, leaving Hopkins, F. B. Cole, Harry McGee, and J. L. De Soto Pirates Keelhauls.

The De Soto Pirates came down to Potosi last Sunday to make a killing in the Wolves, the local base ball team, but the went back home considerably gnawed up and the Wolves were left in good shape. The game was a hot one and all played all through. Shields, a Cardinal recruit, that De Soto had in the box, was hit liberally by the home batters, while Glone, who pitched for the Wolves, gave all that could be asked, and had the visitors fanning most of the time. The score was 3 to 2 in favor of Potosi.

RESOLUTIONS OF RESPECT.

Whereas, in the providence of God, it becomes our duty to record the death of our beloved brother, James G. Evans, who served the Presbyterian church of Potosi for a number of years as deacon, and for twenty-five years as ruling elder, he resolved:

1. That we humbly bow to this dispensation of Our Heavenly Father who ordaineth all things well, and that we look to the Great Head of the Church and Master of Assemblies for special guidance at this special time of need.
2. That we express our grief at the loss of an elder who met with us so many years, and was ever ready to give advice and counsel, in a spirit of meekness and brotherly love, concerning the best interests of the Kingdom of Christ.
3. That we make it the subject of our prayers that such vacancies may be filled by those who are willing to take the responsibilities of office in the church, in order that the work of the Lord move on unhindered and untrammelled.
4. That we express our deepest sympathy for the members of his family in this hour of bereavement, and point to them the comforter who soothes away every sorrow and assures all our griefs.
5. That a copy of these resolutions be spread upon our church records and furnished the local papers for publication; also, a copy be presented to the family of our departed brother.

ADVICE ON PRAYING.

"Now, Bradder Bogus," a trifle severely said good old Parson Bagster, addressing a brother who was given to prolonged and stentorian supplications, "I'm forced to remind you that politeness am duss as titfin' in pra'r as it am in the parlor, and dat dar ain't no call to holter at de Lawd like he was a blind hoss; de Lawd's young yit, sah, and dar ain't nothin' de matter wid his hearin'." And, again, what counts in pra'r am not length but depth—yo' isn't prayin' 'des to 'tablish a long distance record. And fuddermo', dar's no necessity o' tellin' all
